

SpeedMaster X1

900°-270° Vibration Racing Wheel with Shifter

Genius SpeedMaster X1 is a racing game wheel combination, with a 900° steering wheel, 6-speed manual gear, and three-in-one pedal with accelerator, brake, and clutch.

Its manual gear and clutch can be used to change gears according to different road conditions. Whether you step on the accelerator to speed up or brake to slow down, the road conditions are completely under control. Plus, its dual vibration motors simulate driving game, which is more realistic.

Back Shifter

Dual Vibration Motors

Clamps
