

# XL2370

SAMSUNG

## 23" Widescreen LCD Monitor with LED Backlight

### Features:

- LED backlight is brighter, yet uses less energy, and contains no halogen or mercury
- Samsung Touch of Color charcoal gray and crystal-like acrylic neck and bezel trim add rich sophistication to any desk, and eco-friendly ToC process uses zero VOCs
- Mega dynamic contrast ratio of 5,000,000:1 produces amazing detail
- Full HD 1920 x 1080 resolution with HDMI and DVI connections
- 2 ms (G to G) response time for razor-sharp motion graphics
- Extremely thin, just 3/4" at the top

XL2370

Indulge in luxury while doing something for the planet. The Samsung XL2370 23" widescreen LCD monitor features an LED backlight that yields a brighter screen, yet requires less energy, and contains no halogen, mercury or lead. The XL2370 also features a Samsung Touch of Color finish that appears to be a liquid black in ambient light, and reveals a rich charcoal gray gradation in brighter light. A crystal-like acrylic neck and bezel trim add to the luxurious feel. The Samsung innovations continue with a 5,000,000:1 dynamic contrast ratio, and measuring just 3/4" at the top, the XL2370 is stylishly thin. It's luxury with a conscience. The Samsung XL2370.

# XL2370

## 23" Widescreen LCD Monitor with LED Backlight

### Features

#### LED Backlight

The XL2370 features an LED edge-lit backlight that yields a brighter screen, yet requires less energy than a typical CCFL backlight.

#### Sophisticated Design

The graceful design features a Samsung Touch of Color gray finish that appears to be a rich, liquid black in ambient light, and reveals a charcoal gray gradation in brighter light. A crystal-like acrylic neck and bezel trim add to the luxurious feel, as do the bezel Starlight Touch Controls that appear at the touch of a finger, then fade away.

#### Mega Dynamic Contrast Ratio

A mega dynamic contrast ratio of 5,000,000:1 produces more detail than ever, with more information in the whites and blacks, and more subtle transitions from shadow to light.

#### 16:9 Widescreen

More screen space means more room for applications, palettes and widgets. The 16:9 ratio lets you watch widescreen TV and DVD movies with no black bars.

#### Eco-Friendly

Unlike a CCFL backlight, the LED backlight contains no halogen, mercury or lead. Additionally, the Touch of Color process eliminates the use of spray paints and harmful VOCs.

#### Finger-Thin

Measuring just 3/4" at the top, the XL2370 is stylishly thin.

### Specifications

### XL2370

Display	Screen Size	23"
	Brightness (Typical)	250 cd/m <sup>2</sup>
	Contrast Ratio	5,000,000:1 MEGA Dynamic Contrast Ratio (1000:1 Static CR)
	Resolution	1920 x 1080
	Response Time (Typical)	2ms (G to G)
	Viewing Angle (Horizontal/Vertical)	170°/160° (CR>10)
